

## CSW66 Dialogue: Women Leaders Impact Change Globally

**Thursday, March 24, 2022 - 1PM-3:30PM, EDT** [RSVP Here](#)

Our CSW66 Dialogue for the UN Commission on the Status of Women - we have Women Leaders from different sectors who will share their initiatives that are impacting positive change even during these challenging times. We will address climate change and disaster risk reduction, upholding human rights, gender equality, with advocacy for an inclusive economy that supports access to technologies and connectivity for all. Together with UN Secretary-General H.E. Antonio Guterres' Our Common Agenda we are facing the urgency to reset policies and our commitments to be inclusive with gender balanced agendas. In addition, by working in partnership with all sectors we can build back from the pandemic with secure safe environments with Cultures of Peace. This is our best road map combined with "Our Common Agenda" to achieve the success of the UN2030 Sustainable Development Agenda to "Leave No One Behind."
