## UN World Oceans Day 2020

### Invitation

## ***“How Innovations & Technology Are Supporting Our Oceans”***

**Wednesday, June 10, 2020**

**2:30PM to 5PM EST**

**[Webinar RSVP here](#)**

In observance of UN World Ocean Day our panel of experts will highlight the important role innovations and technology have in supporting our Oceans by sharing their initiatives. Through their innovative concepts they are raising awareness to engage other stakeholders in developing sustainable action solutions to protect our oceans and the global environment. As we overcome the impact of the pandemic we much continue to address the urgent crisis and impact related to plastic pollution and change change. We will have science, research, inventions, exploration, communications, data collection and systems.
